PILOT INJURED — It is reported that Davis Curtis of West Paris sustained a minor skull fracture and multiple lacerations when his two-seater aircraft crashed last Saturday into a wooded area off Pioneer Street in West Paris. He is a patient at Stephens Memorial Hospital in Norway. Damage to the craft, which was based at Bethel airport, was estimated at between three and four thousand dollars.

VISIT SHOE SHOP — On Jan. 21, the first graders and the Special Education Class at the Ethel Bisbee School visited the Bethel Shoe Company. Ronald Coulombe took the groups on a tour of the shop. The children watched the shoes being cut, sewed, assembled, and finished. The children are studying Community Helpers in Social Studies.

HOMEMAKER OF TOMORROW AT TELSTAR — June Bailey, left, receives her award from Mrs. Thelma Dombkowski, chairman of the Home Economics Department at the school. June Bailey, on the basis of her score in the homemaking knowledge and attitude test taken by senior girls Dec. 2, is Telstar's 1970 Betty Crocker Homemaker of Tomorrow. It has been announced. In addition to

receiving a specially designed silver charm from General Mills, sponsor of the annual homemaking education program, June is now eligible for one of 102 college scholarships totaling \$110,000.

From school winners in the state, a State Homemaker of Tomorrow and runner-up will be selected within the next few weeks. The state winner will be awarded a \$1,500 scholarship and the runner-up a \$500 educational grant.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

Nomination papers for anyone seeking office must be returned to the Town Office by Feb. 9. The time limit was changed from two to three weeks prior to an election that papers must be submitted.

There are two positions as School Directors and one for selectman and assessor to be filled this year. So far there has been very little interest expressed in these positions.

If anyone has a special interest that will require an article in the warrant, it should be presented soon, as we will have to give the material to the printer shortly.

The selectmen must appoint a Warden District Trustee as Dan Manson's term expired Jan. 1. He does not care to be re-appointed.

The Budget Committee did not meet last Tuesday night as expected because the school budget was not finalized.

Due to the heavy rains the latter part of December, we are experiencing a heavy loss of material in our supply of winter sand. The water penetrated far more than it normally does and froze. The highway crew is building a screen to be used in an attempt to sift out the frozen lumps that will not go through the sanders.

PAINTINGS ON VIEW — An exhibit of paintings by Bill Koen is on display in the lobby of Hanescom Hall at Gould Academy through February. Visitors are welcome to view the exhibit during the school day, evenings until 10 p. m., Saturday afternoons, Sunday afternoons or evenings until 10 p. m.

Mr. Koen is a former art instructor at Telstar Regional High School, and is now a doctoral candidate at the University of Massachusetts.

LECTURE ON "SYMBOLISM" AT GOULD MONDAY

John P. Ferguson, Mercersburg, Pa., will lecture Monday, Jan. 26, at Gould Academy on "Symbolism, the Symbols of Modern and Western Man" with slide illustrations. He will speak in particular about "Poem for a Victory Rally in a Berkeley Park" by Michael Rossman, which some English classes have been reading. The public is invited to attend the lecture at 9:15 a. m. in Bingham Hall.

Bill Chapman is a patient at the Rumford Community Hospital. Mr. and Mrs. William Von Zinl have returned home following a visit with relatives in Germany.

Mr. and Mrs. Avery Angewine arrived the end of the last week after a three week trip to Florida.

MTA AWARDS CERTIFICATES TO 1969 MAINE SENIORS

More than 1,900 seniors in 121 Maine high schools have been awarded honors certificates by the Maine Teachers Association in recognition of outstanding scholastic accomplishment.

The awards are made by the MTA Academic Recognition and Scholarship Committee as part of a program to further academic excellence in Maine schools. The certificates are awarded on the basis of scores in National Merit Scholarship Qualifying Tests. Presentation to students will take place in the individual schools at special award assemblies.

Students who have won certificates are eligible to compete for 75 State Highest Honors awards which in turn carry eligibility for MTA scholarships totaling \$1,000. Highest honors awards are announced in May.

The Academic Recognition and Scholarship Committee also sponsors certificates for outstanding eighth graders and a pin for sophomores. Those receiving awards at Telstar Regional High School were:

High Honors—English, Lillian M. Cross; High Honors—Math, Terry S. Swan; High Honors—Total Achievement, Lincoln B. Fiske; Honors—English, June E. Bailey; Lee J. Blake, Linda Hathaway, David M. Robertson (now a student at Mt. Abram High School, Salem), Craig C. Walker, Brian K. Wentworth; Honors—Math, Frank A. Gibson, David J. Hanescom, David M. Robertson, Brian K. Wentworth, Dwight A. York.

DONATED COMMODITIES TO BE DISTRIBUTED MONDAY

Donated commodities will be distributed on Monday, Jan. 26. Those participating in the program are requested to be at the Bethel Fire Station from 2 to 4 p. m.

Several college students are home from school following mid-years examinations.

DISTRICT 44 DIRECTORS STUDYING BUDGET WITH 24.7% INCREASE OVER '69

The Board of Directors of School Administrative District 44 were presented a 1970 budget proposal Monday evening, that would represent an increased net budget of 24.7% to the district's taxpayers over 1969. The figures presented to the session held at Telstar Regional High School, represented a gross budget of \$1,569,548 with a net district cost of \$830,217. A budget submitted a week previous grossed \$1,691,354, with a net cost to the towns of \$949,726.

The figures presented by Supt. Ralph Ryder on Monday evening would result in costs to the District towns as follows (with 1969 costs and increase):

	1969	1970	Increase
Andover	\$215,480	\$269,741	\$53,261
Bethel	243,372	303,528	60,156
Greenwood	91,264	113,823	22,559
Newry	28,890	36,031	7,141
Woodstock	86,671	108,094	21,423

Each town shares school district costs as follows (determined by State valuation): Andover, 32.37%; Bethel, 36.56%; Greenwood, 13.71%; Newry, 4.34%; Woodstock, 13.02%.

It was the decision of the board to review budget cuts in all parts of the budget, and that reductions be approved or disapproved step by step. Reductions had been made in the following accounts: administration, instruction, transportation, plant operation, maintenance of plant, food service, student body activities, and capital outlay. A special board meeting will be held next Monday evening for this review.

In other action the board approved the educational trip planned by the Telstar Latin Club to Rome, Italy, from Feb. 14 to 28.

Action on a drug activity/abuse policy recommended by the State Department of Education was deferred until the first regular meeting in February.

A motion was defeated that would have increased the cost of school lunches to the student from 30 cents to 35 cents at the elementary level, and from 35 cents to 40 cents at the secondary level. It was requested that a progress report on the hot lunch program be prepared and presented to the board.

The board gave preliminary first reading approval to the following policy: "The Directors of School Administrative District #44 advocate that in the best interest of the best

TELSTAR SKI TEAMS EDGE OXFORD HILLS WEDNESDAY

Three Telstar Regional High School ski teams gained victories over Oxford Hills rivals in Wednesday events held under excessively cold but excellent conditions. Telstar varsity boys won their contest, 99 to 93.4 in cross-country and the Telstar Jayvees also won 98.8 to 88.9 in cross-country. Telstar girls had a 95.4 to 90 margin on Oxford Hills girls in Alpine competition at Mt. Abram.

GREENWOOD CITY

— Mrs. Calista Morgan, Correspondent —

The thermometer has hung low this week but every day I've been out for a walk and found the wind real nippy.

The expansion of ice looked inviting so I went down by boat now scuggled against her tree taking her winter's rest, and ventured across the pond. How different from when I ride its waves in summer!

As I rounded the point at the mouth of my Sanborn River I met—of all things, a shrimp! He came up from the base of a bush like a submarine surfacing. Because of their shyness they are not often seen although they are numerous. This one regretted he had taken the Sanborn for his trail, for the instant we met he turned to find a place to hide. Scampering a bit leaving a feathery track on the light snow cover, through a crack in the ice he disappeared never to be seen again.

Their insatiable appetite makes them restless creatures. They forage day and night, summer and winter, having no time to hibernate.

I wanted to follow Sanborn River as I do in summer to see its winter dress but as I was alone and did not know about its safety I thought I'd better not. I didn't want to follow Mr. Shrew—a bigger opening of course.

The elms and beeches were so gray against, or mingling with the greens, with now and then the paper birch, chalky white and slender gracing the hill side. Among all, that Arctic air driving down pond made melancholy music in the heights, whispering, sighing, moaning.

Walking beyond the river I was above the yellow and white lily of summer. Only "yesterday" the pickered weed, arruished and other pond plants stood here while among them stood the long-legged waders, bitterns and herons.

From here, with snow sitting a-

cross my feet, I followed the shoreline to Rock Point. At this spot the ice was piled and roughened, dirty and slimy strewn from the December rain storm which raged over the falls and on through to the pond.

Going around this I headed down pond to where I could see the falls. Of course this wasn't enough; I must have a close view. So I carefully tested the beautiful curves of the snowdrifts formed by the winds. I could tell by their shape the contour of the land and where the grasses and reeds were. The better traveling was not on these and not really good anywhere. But before me there was a gallery of rare beauty which no man could devise. Caught in its motion of descent between the giant ledges held and frozen was nature sculpturing, the falls.

Below gurgling and visible through the thin ice was the imprisoned water.

Sparkling in the soft ray of light were the needle crystals, a close relative of the snowflakes making crisscross patterns rare and intricate.

Hanging from bushes and a hemlock tree at one side were beds of ice-lilies showing that there had been long cold hours of heavy spray rather high up.

I was well repaid for my hard journey and on my return home once more I thought of this fairyland somewhere on my film protected in its case and how some day in the future I can refresh my memory and view again (perhaps in July) this cold but interesting afternoon on a January day in 1970.

Mrs. Ernest Morris is gaining from surgery at Stephens Memorial Hospital.

Mr. and Mrs. Clyde Morgan were Sunday callers at Mr. and Mrs. Carroll Nottage's, South Paris.

Week Days - 7 A. M. to 9 P. M. Sunday - 8 A. M. to 9 P. M.

NOTES FROM SUNDAY RIVER

Skiway, School and Club

Starting time for the Junior Lesson program has been changed from 9:30 a. m. Classes will depart from the teaching area as close as possible to that hour. To receive the full benefit of each lesson, parents are urged to bring their charges to the teaching area before class time.

Once again the Ski Club is sponsoring the Mel Jodrey Trophy Race. This year it's the 8th annual and will commence at 10:00 a. m. Sunday morning on the Sunday Punch trail. The meet, a giant slalom, brings together 16-18 year old boys and girls who are seeking a spot on the state team which will compete later in the Eastern Regional Championships.

In honor of the event a smorgasbord will be held at the base lodge beginning at 6:00 p. m. Saturday. Beef, turkey and other gustatory delights will be served. . . not to mention two rather unique attractions about which it is prudent to remain temporarily silent. Suffice it to say that both attractions will please the palate and considerably complement what is sure to be a meal to be remembered. . . fondly if it is hoped. Tickets are available at the Ski School desk.

Also tentatively scheduled are a tray sliding contest and a balloon race. The tray sliding meet is for children under 10 and the balloon race is open to the 10 to 77 set. Details will be available at the Lodge Saturday morning.

SNOW TWISTERS HOLD

MEETING MONDAY EVENING

The first meeting of 1970 got underway at the Telstar cafeteria on Jan. 19. President Russell Carson, Treasurer Jeannine Fleet and Secretary Julie Day began their new offices for the coming year.

Approximately 35 members attended with about 20 arriving in style on snowmobiles.

It was voted to sponsor a boy and girl to Dirigo State this year.

The club's emergency rescue squad committee reported that they had met with the CD director, John Greenleaf, but no agreement in conjunction with the CD had been reached. A list of men and machines will be available through the town officials of Bethel. Contact points for help are: Ernest Angevine, Bethel, 824-2280 or 836-2778; John Gunther, Rumford 364-9458; John Martin, Rumford Point, 364-7023 or 364-7527; Ted Kaulback, Rumford.

It was reported that Cliff Akers had made a donation of a duplicating machine to the club.

It was reported that the club now has 131 members, with a reminder that 1970 memberships are now being taken. Applications may be had by contacting Mrs. David Fleet, Bethel.

The club has scheduled the following activity schedule:

Jan. 25: Sunday, 2 p. m., Dock's Field, Route 26, Bethel, Obstacle Race (snow conditions permitting); Trail ride (if no new snow). Bring your lunch.

Feb. 1: Sno-Packers Club of Waterville invites everyone to the "Shirley Field", Route 5, towards Lovell - 10 a. m. Bring your own lunch, trail rides and lots of fun for everyone. Watch for signs.

Feb. 7: Saturday, 3 p. m., Bethel Airport to Sunday River Trail Ride to Sunday River Inn with supper about 6 p. m. Social hour before. Bonfire. Call 824-2410 for reservations.

March 7: Parade in Bethel and Mt. Abram Trip, 4 p. m. Starting at Vernon Street, followed by social hour and supper at Mt. Abram Ski Lodge. Further plans to be announced.

The next meeting of the Snow Twisters will be held Feb. 16 at 7:30 p. m. in the cafeteria at Telstar Regional High School. All are welcome.

GOULD ACADEMY SKIERS

TRAIL EDWARD LITTLE

Edward Little High School put Steve Kendall, John Bell, Norm Bussiere and John Haddock inside the top six and took a 99.5 to 97.5 lead on Gould Academy in the slalom event of what is scheduled to become a four-event ski meet that began at Lost Valley in Auburn Wednesday. The cross-country will follow next Wednesday at Bethel with other events yet to come.

Kendall and Bell were at the top of Wednesday's standings in the cold winding coming off the ridge. Bart Bailey and Harry Baxter picked up third and fifth places for Gould with Bussiere between them and Haddock following for ELHS.

Miss Nancy Willard, on vacation from her teaching duties at University of Maine Portland Campus is visiting friends this week in Wilmington, New York.

LISBON SCORES 79-59 DECISION

OVER TELSTAR FRIDAY

Lisbon snapped out of a 29-29 tie to assume a two-point halftime lead and shot a 24-13 third period advantage to pull away from Telstar in Friday's 79-59 Mountain Valley Conference basketball at Lisbon Falls.

Dick Plummer played the rebounds especially well and Dave Fowler contributed a strong floor game, both of them adding materially to Lisbon scoring while Knox and Keniston of the visitors excelled in the rebounding.

Telstar - 18 31 44 59
Lisbon - 23 33 57 79
Kingsbury, Stover, Four 85.
Prelim.: Lisbon 71, Telstar 30. (JV).

JAY OUTSHINES TELSTAR, 81-58

IN TUESDAY BASKETBALL

Telstar crowded the visitors in the early going but Jay concluded a sweep of the basketball series between the Mountain Valley Conference rivals Tuesday by an 81-58 score. Marco Grimaldi led the Tigers with Dave Lapointe supplying handy tallies while Andy Davis, Dave Keniston and John Trinward were the Bethel team's leaders.

The schedule calls for Telstar to be idle Friday, Jan. 23, and to entertain Livemore next Tuesday, Jan. 27.

Jay 17 42 53 81
Telstar 21 33 49 58
Puffa, Haley, Four 85.
Prelim.: Jay 85, Telstar 35 (JV).

GOULD IS 84-71 VICTOR

AT DIRIGO HIGH TUESDAY

At one time Dirigo High School had chopped off all but four points of Gould Academy's early lead but the visitors from Bethel held fast and ran out an 86-71 basketball verdict over the Dixfield squad Tuesday. It was a night of hot competition with the Dirigo Jayvees winning by a point in overtime in the preliminary.

Gould 35 50 66 86
Dirigo 15 34 57 71
Prelim.: Dirigo 54, Gould 53 (JV) overtime.

GOULD QUINTET WINS

FIFTH IN ROW

Gould Academy took its record to 5-0 Wednesday, Jan. 14, in a basketball game at Kents Hill School, winning 79-51. The Bethel club raced to wide first and second quarter margins in assuming a 20 point halftime lead.

Gould 26 45 63 79
Kents Hill 15 25 42 54
O'Brien, Shapiro, Four 85.

CHEMS — CHEMICAL EDUCATIONAL MATERIAL FOR STUDY

The Establishment of a Chemical Equation

One of the experiments students perform is one in which experimental values are used to establish the coefficients of a chemical equation. In this experiment students measure out varying amounts of equal concentrations of silver nitrate and potassium chromate solutions. Each student determines the amount of dry silver chromate precipitate produced by his assignment. For example, the first student mixes 5.0 ml of silver nitrate and 43.0 ml of potassium chromate solution, the second student 10.0 ml and 40.0 ml and correspondingly until the ninth assignment is the combination of 45.0 ml of silver nitrate and 5.0 ml potassium chromate.

The amount of dry precipitate obtained by each student is entered on

the blackboard and each student uses all of these values to plot graphs. From the graph, the combination of silver nitrate and potassium chromate which produced the greatest mass of precipitate is obtained. This ratio of silver nitrate and potassium chromate will be the coefficients for the chemical equation as it indicates the ratio at which both solutions are completely reacted.

Laboratory experiences are an important part of our Chem Study course. Experiments are often used to introduce new topics. The data and observations obtained in the experiments are organized into meaningful patterns in order to develop generalizations and laws of chemistry. In addition, the students become adept in the techniques necessary for carrying on laboratory investigations.

The following photographs illustrate the sequence of steps utilized in the experiment described above:

Students measuring volumes of solutions needed for experiment from burets.

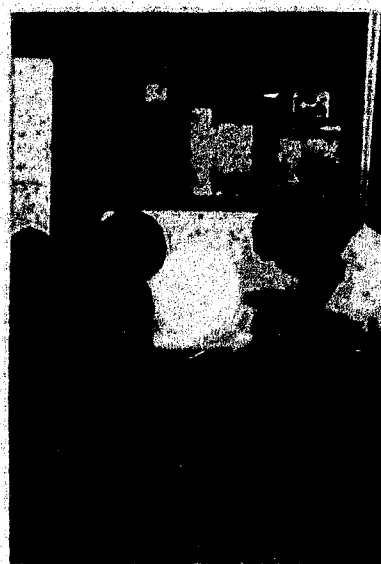

Filtering of precipitate formed by mixing the two solutions.

Student preparing to dry the precipitate under a heat lamp.

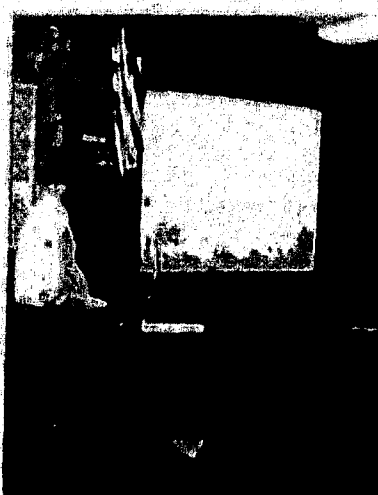

Weighing the dry precipitate on the Mettler balance.

Mr. and Mrs. Harlan R. Bean

BEAN - KITTREDGE

The West Parish Congregational Church of Bethel was the scene of a pretty wedding on Dec. 29, when Kathy Louise Kittredge became the bride of Harlan Richard Bean.

The bride is the daughter of Mr. and Mrs. Herbert Kittredge and the groom is the son of Mr. and Mrs. Richard Bean.

The double ring ceremony was performed by Rev. Charles E. Scheele with the traditional music played by Mrs. Richard Littlefield at the organ. The altar was decorated with baskets of white gladioli, mums and red carnations.

The bride, given in marriage by her father, wore a winter white velvet gown which she made herself with long sleeves, high neck and long train, with white fur trim at collar and cuffs, long train veil of nylon fell from a cluster of organza petals and pearl headpiece. She carried a white bible with red rose bud corsage and white carnation wreath and streamers.

Mrs. Thomas Dunn of Millington, Tenn., was her sister's matron of honor. She wore a lace blue velvet gown identical to the bride's, with white fur trim and headband. She carried a colonial bouquet of red and white carnations.

The bridesmaids were Rebecca Andrews of West Paris, Paula Frey of Mechanic Falls, and Barbara McKnight of Rumford (but due to the road being blocked by storm) she wasn't able to fulfill her duties so they were filled by Mrs. Robert Remington. They all wore red velvet with white fur trim and headbands identical to the maid of honor. They also carried colonial bouquets of red and white carnations.

Karen Kittredge of Middleton,

Mass., niece of the bride was flower girl, attired in lace blue velvet with white fur trim and headband she carried a basket of red carnations and white mums.

Kevin Dunn of Millington, Tenn., nephew of the bride was ring bearer. George Nickerson was best man. Ushers were Wayne Bean, brother of groom Barry Salway and Robert Remington.

The reception was held in the Church Chapel with Mrs. Thomas Dunn cutting the wedding cake which was made by Leona Fink. Others participating on gifts, refreshments and guest book were Mrs. Walter Kittredge, Mrs. David Fleet, Mrs. Laurier Kittredge, Mrs. Dennis Wheeler, Mrs. Herman Card, Mrs. Marshall Rolfe and Gen. C. A. Bean.

Following the reception Mr. and Mrs. Bean left on a trip to Massachusetts. They are residing at 23 March St., Bangor.

Mrs. Bean is a graduate of Gould Academy and C. M. V. T. I. and is a Licensed Practical Nurse at Eastern Maine Medical Center in Bangor.

Mr. Bean graduated from Gould Academy and is a junior at the University of Maine in Orono.

"FAITH" IS AN EXTRA INGREDIENT

As we fill each prescription, we know that in addition to the ingredients that your physician specifies, there is an extra intangible ingredient that does not appear in writing. It is "Faith" that through his knowledge and experience he has prescribed a medicine that will help to cure or relieve an illness.

Sometimes, this "Faith" can be as important as the medicine itself. We too have a great deal of faith in the accuracy of the prescriptions we dispense and we derive much satisfaction when you tell us on a future visit that someone in your family is now well.

PINELAND SKI CLUB REQUESTS CO-OPERATION OF SKIMOBILE OPERATORS

The Pineland Ski Club of Andover is again requesting that skimobiles not be driven on ski trails. The ski racing tracks are in the Farrington Hill vicinity and are plainly marked with bright orange ribbon with signs placed at entrances. The junior team has started out quite well and needs a good training area as well as excellent trails when they are hosts to meets. They have traveled to Jackson, N. H., bringing home
